## TREASURY DEPARTMENT,

*January 24, 1828.*

SIR: In obedience to a resolution of the House of Representatives, of the 16th inst. directing the Secretary of the Treasury “to communicate to the House a statement shewing the number and amount of the issues of Continental money made during the Revolutionary war, designating each issue of such money, and the amount thereof; also, any information which may be in this Department relative to the depreciation thereof, and the rates at which, from time to time, it was made receivable by creditors of the United States, or persons engaged in their service, in payment of debts or wages due them;” I have the honor to transmit a letter from the Register of the Treasury, which, together with the three statements accompanying, furnishes the information called for by the resolution.

I have the honor to remain,

Very respectfully,

Your obedient servant,

RICHARD RUSH.

The Hon. the SPEAKER

*of the House of Representatives U. S.*

TREASURY DEPARTMENT,  
*Register's Office, January 24, 1828.*

SIR: In compliance with your reference to this office of the resolution of the House of Representatives, of the 16th inst., I have the honor to transmit a statement of the issues of Continental money required by the first clause of that resolution.

With respect to the latter part of the resolution, having for its object the mode by which depreciated paper money was liquidated at the Treasury, the records exhibit two, to wit: 1st. as applicable to the payment of the principal and interest of loans, predicated upon a table compiled agreeably to the resolution of Congress of the 28th of June, 1780; 2d. as applicable to the settlement of individuals in several of the States. Copies of the table and of the scales used for these purposes, I have the honor also to enclose; and to be, sir,

With great respect,

Your obedient servant,

JOSEPH NOURSE. *Reg.*

Hon. RICHARD RUSH,  
*Secretary of the Treasury.*

TREASURY DEPARTMENT,

*Register's Office, January 22, 1828.*JOSEPH NOURSE, *Reg.*

*TABLE for the Payment of Principal and Interest of Loans, agreeable to the Resolution of Congress of the 28th day of June, 1780.*

IN CONGRESS, June 28, 1780.

Whereas Congress, on the 18th day of April last, resolved in the words following, viz: That Congress will, as soon as may be, make such provision for discharging or continuing the loans that have been made to these United States, on loan office certificates, as that the holders of them shall sustain no loss thereon by any depreciation of the bills loaned subsequent to the respective dates of the said certificates: Therefore,

*Resolved*, That the principal of all loans that have been made to these United States shall finally be discharged, by paying the full current value of the bills when loaned; which payment shall be made in Spanish milled dollars, or the current exchange thereof, in other money, at the time of payment.

That the value of the bills, when loaned, shall be ascertained for the purpose above mentioned, by computing thereon a progressive rate of depreciation, commencing with the 1st day of September, 1777, and continuing to the 18th day of March, 1780, in geometrical progression and proportion to the time, from period to period, as hereafter stated, assuming the depreciation at the several periods to be as follows:

On the 1st day of March, 1778, one dollar and three quarters of a dollar of the said bills for one Spanish milled dollar; on the 1st of September, 1778, as four of the former for one of the latter; on the 1st of March, 1779, as eighteen of the former for one of the latter; and on the 18th day of March, 1780, as forty of the former for one of the latter.

That the principal of all certificates that have been taken out since the 18th day of March last, shall be discharged at the rate of one Spanish milled dollar, or the current exchange thereof in other money, at the time of payment, for forty dollars of the said bills of credit received on loan.

That the principal of all certificates that shall hereafter be taken out, until the further order of Congress, be discharged at the same rate, and in the same manner, as those that have been taken out since the 18th day of March last.

That the interest on all loan office certificates, at the rate of six per cent. per annum, computed on the principal, ascertained as aforesaid, shall be discharged annually, in like manner as the principal, until the principal shall be paid: *Provided, nevertheless*, That the same interest and mode of payments on certificates taken out before the 1st day of March, 1778, shall be continued as at present, until the principal, ascertained as aforesaid, shall be ready to be discharged.

*Ordered*. That the Board of Treasury prepare the proper tables for direction of the Commissioners of the Continental Loan Offices in the the several States, in paying off the principal and interest of loans agreeable to the foregoing resolutions.

Extract from the minutes.

GEO. BOND, *Dep. Secretary.*

TREASURY OFFICE,

July 29, 1780.

In pursuance of the foregoing act, and on the principle therein laid down, the following table, for direction of Commissioners of the Continental Loan Offices in the several States, in paying off the principal and interest of loans, is prepared, shewing the value of one hundred dollars of the currency of the United States, loaned at any time between the 1st day of September, 1777, and the 18th day of March, 1780, in specie, with its interest for a year.

It is to be observed, that the specie value of one hundred dollars, found on any day within the table, is to be multiplied by the number of hundreds expressed in the certificate of the same date, whose value in specie is required, and, in like manner, the interest arising thereon, and the answer will be obtained. See example.

*Example.*

The specie value of a certificate of five hundred dollars, and its interest, loaned the 1st day of May, 1779, as required on that day: By the table, the specie value of one hundred current dollars is eight dollars twenty-ninetieths of a dollar, and five-eighth parts of a ninetieth, which, multiplied by five, gives forty-one dollars thirteen-ninetieths and one-eighth for the principal.

The interest thereon, forty-four-ninetieths and three-eighths, multiplied by five, the number of hundreds in the certificate, gives two dollars forty-one-ninetieths and seven-eighths of a ninetieth for its interest in specie.
